SUMMARY

A motivated and creative individual seeking to embark on a fulfilling career. With a strong willingness to learn and grow, I am eager to take on new challenges and opportunities. As a self-starter, I possess excellent problem-solving skills and have a proven ability to work well under pressure. While I may be new to the workforce, I am committed to delivering high-quality work and contributing to the success of any team I am a part of. I am confident that my positive attitude, adaptability, and strong work ethic will make me a valuable asset to any organization.

EXPERIENCE

Video Editor and Graphic Designer

"İZ" Gənclər Təşkilatı

08/2021 - In present Azerbaijan, Ganja

- I have been working as a video editor and graphic designer at the Iz Youth Organization for over a year now, where I have also served as a team leader, instructor, and mentor. I have helped many students gain proficiency in this field by offering video editing courses to incoming youth and organizing seminars. This has enabled me to contribute to the growth and development of young people in this area.

Internship

"Algo" Academy

06/2022 - 08/2022 Azerbaijan, Baku

- During my three months of volunteering as a front-end developer, I gained valuable experience in writing clean code and improving best practices. I also learned how to use Git and back-end tools such as SQL. This experience has helped me to enhance my skills and deepen my knowledge of web development.

ASAN Service

09/2017 - 11/2017 Azerbaijan, Baku

- During my 3-month volunteer period in a customer service role, I developed the ability to serve citizens who came to the center, fulfill assigned tasks with responsibility and on time, work effectively with a team, and make modern decisions. Additionally, I have honed my ability to navigate challenging situations, which has earned me two certificates of recognition.
